

PLAY BLUES TAG

Blues Tag is a new and exciting non-contact format of Rugby League. Blues Tag is an inclusive-style of league open to players from all backgrounds and abilities, with a focus on improving the players' fundamental skills – catching, passing and in-game communication.

Blues Tag is a non-tackling game based on Rugby League. There are 6 players on each side in the U6-U7 age group, 8 players in the U8-U12's and 11 players in U13+.

The game is quick, exciting and a great way to learn the basics of the game or a preferred option if you don't wish to play a contact sport. All Rugby League skills are utilised in Blues Tag, including catching, passing and kicking and there is a fair bit of skill needed to create gaps and space on the field.

We are looking for boy and girl players in all age groups and if you want to play both forms of the game you only pay registration once. Why not join the Tigers and be part of something special in our Blues Tag program.
